

OTTER TAIL COUNTY

PUBLIC HEALTH REGULATION ON THE DISTRIBUTION OF COMMERCIAL TOBACCO PRODUCTS TO PERSONS UNDER 21

An Ordinance relating to provision of commercial tobacco and tobacco-related products and devices to youth and young adults in the County of Otter Tail.

The County Board of Otter Tail County ordains:

Section I. General Provisions.

A. Title. The title of this Ordinance shall be the Otter Tail County Public Health Regulation on the Distribution of Commercial Tobacco Products to Person Under 21.

B. Findings of Fact and Purpose.

Whereas, Otter Tail County recognizes that the use of commercial tobacco products has devastating health and economic consequences. Commercial tobacco use is the foremost preventable cause of premature death in America. Otter Tail County further recognizes that young people are particularly susceptible to the addictive properties of these tobacco products and are particularly likely to become lifelong users. The County Board of Commissioners accepts the conclusions and recommendations of the Centers for Disease Control & Prevention; U.S. Department of Health & Human Services, Substance Abuse & Mental Health Services Administration, Center for Behavioral Health Statistics, and Quality; Minnesota Department of Health; and the Institute of Medicine.

Accordingly, Otter Tail County adopts the following Public Health Regulation on the Distribution of Commercial Tobacco Products to Person Under 21 to reduce tobacco use by keeping commercial tobacco, tobacco products, tobacco-related devices, electronic delivery devices, and nicotine or lobelia delivery devices out of the hands of young people.

C. Authority. This Ordinance is enacted pursuant to Minnesota Statutes Chapters 145A and 461 and allowing for local ordinances for counties to regulate actual and potential threats to the public health and to set more restrictive regulation on the distribution of tobacco, tobacco products, tobacco-related devices, electronic delivery devices, and nicotine or lobelia delivery devices.

D. Severability and Savings Clause. If any provision of this Ordinance, or the application thereof to any person or circumstance, is held invalid by a court of competent jurisdiction, such invalidity shall not affect any other provision of this Ordinance that can be given effect without the invalid provision or application. Each invalid provision or application of this Ordinance is severable.

E. Jurisdiction. Pursuant to Minn. Stat. § 145A.05, Subd. 1, this Ordinance shall apply throughout all of Otter Tail County including all municipalities and unincorporated areas therein.

Nothing in this Ordinance shall prevent other local levels of government within Otter Tail County from adopting more stringent measures.

Section II. Definitions.
