Description:

Learn about Minnesota's children's mental health system. Gain information about the different types of services and supports available to families who have a child with a mental illness, and how to access them. Understand best practices and the rights of children and their families in the clinical treatment setting as well as the school.

This is a two hour class designed for parents, school staff, and other providers who support children and their families.

NAMI Minnesota (National Alliance on Mental Illness) is a non-profit organization dedicated to improving the lives of children and adults with mental illnesses and their families. NAMI Minnesota offers education, support and advocacy.
